Jewish Relief Fund

Sumter County Contributes More Than the Amount Asked for By the State Committee. A Most Successful Opening Meeting

Sumter county was asked to give seven thousand dollars as its contribution toward the Jewish Relief fund that is being raised this week by a nation-wide campaign to provide means for saving the six million destitute Jews in the war desolated regions of the old world. Sumter's response at the mass meeting held in the Opera House Sunday afternoon was a contribution of \$9,060, and the greater part of the county outside of the city is still to be heard from and the canvass of the city by committees is yet to be completed. It is safe to predict that the contribution of Sumter county to this worthy cause will exceed ten thousand dollars when all reports have been received and totaled.

The campaign for the Jewish Relief fund is under the direction of Mr. August Kohn, of Columbia, as State chairman, Mr. I. C. Strauss as district chairman for Sumter, Lee and Clarendon counties, and Dr. S. H. Edmunds as county chairman. The committee for Sumter county was organized last week with representatives for every section of the county and the work arranged so that the campaign would open with a representative meeting on Sunday afternoon.

The mass meeting was well attended, the first floor of the Opera House being completely filled and there was a large crowd in the balcony. The programme was most entertaining and pleased all of the large audience. The musical numbers and the character sketch by Ward-Waters Company of Alkalest, Lycum Bureau were both novel and pleasing. The song recital of Mrs. Marie Nicholson charmed all music lovers.

Dr. J. A. Rice, pastor of Trinity church, who delivered the address, made a most impressive, eloquent and inspiring presentation of the cause for which the meeting was held. His sympathies are with the down-trodden and suffering of all nations and the appeal he made in behalf of the six millions of the old world touched the hearts of all who heard him. The collection was as usual, turned over to Mayor L. D. Jennings and the experience he has gained in this line of public service during the past few years has qualified him as an expert. His work on this occasion was not arduous or protracted, for the people responded promptly, cheerfully and generously, and the subscriptions came as rapidly as the secretary could record them. At the close of the meeting the announcement was made that the total amount contributed was \$9,060, with the reports from other sections of the county and from the canvassing committees in the city still to be taken into account.

A meeting was held in Manning last night to raise Clarendon county's quota of three thousand dollars and without having done any preliminary work the committee, of which Mr. Charlton DuRant is chairman, secured contributions aggregating \$2,369. Clarendon county will more than reach its quota.

Victory Loan Flag

Flag From National Capital Offered as Prize

Word from Washington was received today by the Woman's Liberty Loan Committee for South Carolina announcing that the large American flag which floated over the dome of the capitol during the inaugural ceremonies and other historic occasions would be awarded the State which attains the largest percentage of over-subscriptions of its quota in the Victory Liberty Loan campaign.

At the recent conference of the Fifth Federal Reserve District held in Richmond, South Carolina was congratulated on having the most complete organization to date and the Liberty Loan committees predict that she will keep in the lead and now stands a good chance of winning the prize pennant in the coming drive which opens Monday, the 21st.

This flag of honor was presented to the treasury department by Elliott Woods, superintendent of the United States capitol. It was first floated over the capitol dome March 5, 1917 when President Wilson was inaugurated and again when the president delivered his war address to congress April 2, 1917 and during the passage of the war resolution April 4 and 5, 1917. This flag was also flown on the occasion of the visits of the various foreign missions to the capitol and raised proudly the day the armistice was signed.
